Health Care Reform Information Forum & Community Q&A

**Come to Citizens TV:
2666 State St. Hamden**

Ask questions; get the facts; learn how health care reform will affect you.

(203) 562-2288

1. If the President's health reform plan fails to pass, how will it affect CT residents?
2. The CT Legislature passed Sustinet Health Plan. Why is it on hold for two years?
3. Who will be studying it? What are they looking for? How will their decision affect those in CT without health care? What will happen to those without health coverage?
4. What can the average person do to bring about changes in CT's health care system?
5. **What are our local ward, state reps & senators doing to help us to remedy the health care problems we have in CT? What is the Legislature doing?**
6. **What do residents and community leaders think of CT's health care fiasco?**
